

How to Access ISO Standards though Edmonton Public Library's *CSA Standards* Database

Edmonton Public Library cardholders can access selected ISO standards though the **CSA Standards** database.

Note that anyone who is a resident of Edmonton can register for a FREE Edmonton Public Library card by going to **epl.ca** and selecting **Get a Card** and following the on-screen instructions.

Follow these steps to access and view an ISO standard:

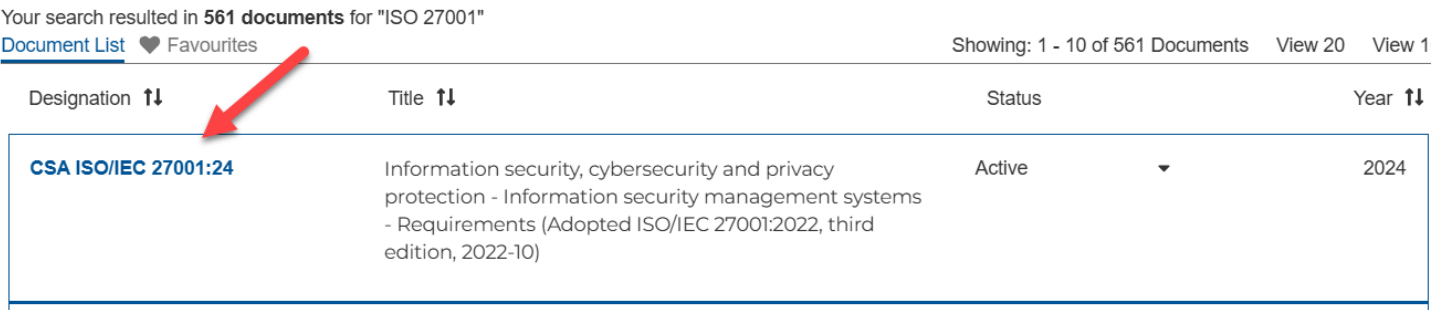

- Go to <https://www.epl.ca/>, click on **Digital Content**, then select **Business, Finance & Law** under SUBJECT.

- Scroll down to **CSA Standards** in the list of databases.
- Enter the barcode from your EPL card and your PIN when prompted.
- Enter **ISO** and a specific **standard number** (e.g. **ISO 27001**) in the **My Library** search box and press the Enter key or click the search icon:

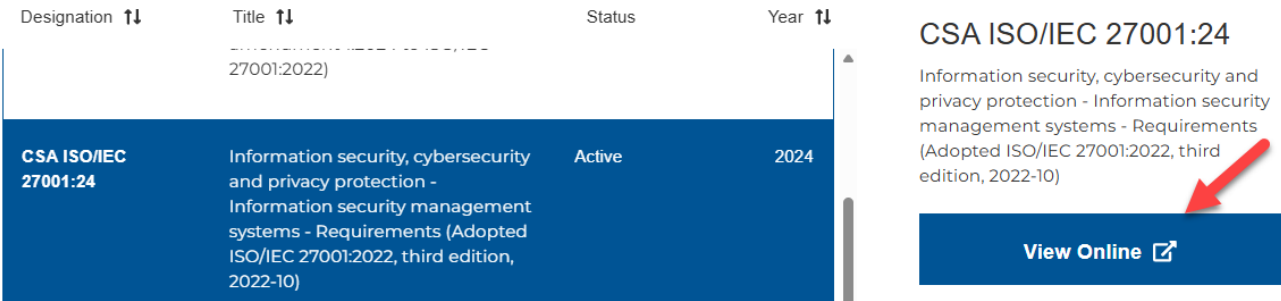

- Click on the ISO title that matches your search:

- A list of **Active** (current) and **Withdrawn** (previous) editions of the standard should appear. Click on the active standard of your choice.

- Click **View Online** to view the full text.

DUE TO LICENSING RESTRICTIONS, STANDARDS CAN ONLY BE VIEWED, NOT DOWNLOADED.
